

DINGHY EVENTS

Adequate personal buoyancy must be worn at all times. For latest news see Events page on club website.

SUPPORT BOATS

Support Boat helms and crew must have appropriate and in-date qualifications and experience. In particular, the helm must have an RYA Safety Boat qualification.

The Support Boats must not be helmed unaccompanied.

The helm is responsible for the preparation of the Support Boat and for its operation.

CRUISING EVENTS

Cruiser members, who would like the company of other members boats or to share their experience when making a cruise, are invited to contact others via the WhatsApp group **Lets go sailing WQSC** - contact our Cruising Officer, Alison Coombs to be added to the group

Alisonfcoombs@gmail.com

A lone cruise could then turn into an impromptu social event.

GENERAL

It is the sole responsibility of the skipper of each craft to decide whether to participate in club events.

All craft (dinghies and yachts) taking part in club events **MUST** have adequate third-party insurance.

Event organisers are not liable for loss, damage, death or personal injury, howsoever caused, to participants as a result of their taking part in club events.

Moreover, every owner/competitor warrants the suitability of his/her craft for the event.

A list of club members' contact details can be downloaded from MemberMojo. Go to [Weir Quay Sailing Club \(membermojo.co.uk\)](https://www.weirquaysailingclub.co.uk/membership) and sign in to your personal account. Then go to **Your Membership** and select **Member Directory**.

See WQSC website for updates & latest news [wqsc.org](https://www.wqsc.org)
